

To Our Entertaining Friends:

Musical entertainment at the Downtown West Bend Farmers' Market helps add to the success it is. Music is enjoyed by all who come and visit the market.

During the season I am always complimented on the variety of musical talent we have at the market. Thanks for your contribution.

It is again time to schedule the entertainment for the 2022 season. It's a great way to get exposure for your group and share your talent with a unique audience.

The three locations for music this year are the same as last:

Location One: Old Settlers Park

This location has a natural elevation above Main Street; bands can set up in front of the gazebo and use the electricity that is available. This is a great location for larger size bands. We will put groups here with four or more members.

Location Two: North Main Street

This location is on the north corner of Cedar Street and Main Street, in front of The Antidote. There is no electricity available here. This area is for individuals or groups of three or less, to play music that does not depend on electricity, microphones etc.

Location Three: South End of market

This location is on the south end of the Farmers Market in front of Husars (before the roundabout). There is no electricity available here. This area is for individuals or groups of four or less, to play music that does not depend on electricity, microphones etc.

If you are interested or know of someone who is, please sign up!

The Farmers' Market is every Saturday from May 21st through October 29, 2022. The Market is open 7:30am-11:00am. *The time scheduled for music is 8:00am – 11:00 am. We expect all groups to remain playing until 11am.* Musical groups need to bring their own equipment and necessities.

Please consider scheduling to perform this summer! In previous year's we've been unable to pay for this entertainment, however, due to a generous donation, we will be able to pay each group a small stipend this year. (The amount will depend upon the number of groups performing this year.) Playing the Farmers' Market is a wonderful opportunity to promote your group and we encourage you to sell your group's merchandise like CD's and t-shirts or set out a tip jar and promote any upcoming performances you may have.

We look forward to helping promote local talent at our Farmer's market. we can be reached by email to answer any questions you may have regarding the Farmers' Market and the entertainment.

If you have any questions or comments, please email me directly. Thank you for your time and talent!
